KINA CONSTRUCT

BUILDING CO.
AOTEAROA

- Kina Construct is a building company in Auckland that relied primarily upon Instagram and word of mouth to get clients.
- Therefore it was imperative to integrate Instagram throughout the website so Benny could keep it updated simply by uploading posts.
- He wanted a simple design which had an emphasis on his photos.
- Benny was the key driver in how he wanted his site designed, and we worked with him closely throughout the process.
- Kina Construct's website is live at kinaconstruct.co.nz.
